He is light and therefore illumines himself, revealing himself to the world, manifesting himself to those who do not know him. The light of divine knowledge departed from the world when humankind abandoned God. Now the eternal light manifests itself to the world in two ways, through the Bible and through creatures. For the divine knowledge cannot be restored in us except by the letters of Scripture and the sight of creatures. Learn the word of Scripture and understand their meaning in your soul; there you will discover the Word.

- Visiting local schools to deliver assemblies and interactive classroom sessions.
- Building positive relationships with an agreed number of schools, encouraging them to book further visits and to act with CAFOD for a fairer world.

- Completing a short feedback form after every visit.

- Be comfortable using email and accessing a website to find information.

### How much time will I need?

- On average, you will make one visit a month (about four hours including preparation and travel), but our programme is busiest around the times of CAFOD Fast Days—late Sept/early Oct and during Lent.
