The Community Life of the Parish

The old Primary School is shown with the two Orders of Sisters – the Institute of the Blessed Virgin Mary (now known as the Congregation of Jesus) and the Sisters of Charity – who taught there.

The rugby player represents the Senior Boys School, once serving all York's parishes as a Secondary School for Boys and which was assimilated into All Saints' School.

The Parish Dinner Dance was for some years the parish's principal social function of the year.

The feeding of the poor contrasts with the spectacular concerts and musical productions staged in local theatres by the schools and parishioners.
