Message from Bishop Terry: **DAY FOR LIFE** is celebrated on the third Sunday of June, which this year is the 18/19 June. The Solemnity of Corpus Christi also falls on this weekend and so there is a challenge to focus on both the Solemnity and the Day for Life. The focus this year is the care of the elderly. This theme was chosen because of the present catechesis of Pope Francis on the topic, the tragic impact which COVID had on elderly people, the fact that elderly people are those who are most threatened by the possible legislation of Assisted Suicide and that they are most affected by the current health and social care crisis. This theme also builds on the bishops' plenary resolution of 2018 to focus on ageing and the work which CARITAS is doing on the care of the elderly. We invite people to think again about the value and worth of older persons in families, in parishes, in society, and to make practical choices to build bridges between the generations. In this way we will learn from the wisdom of the elderly and the different rhythm of their lives, "The arrogance of the time on the clock must be converted into the beauty of the rhythms of life."
