TODAY - ST GEORGE'S DAY CELEBRATION

Bring and Share St Lawrence's Church Hall

Please come and join us for a parish get-together after **TODAY'S morning Mass** from 11.30am onwards. Everyone is invited for tea, coffee and refreshments and we will be joined by St Lawrence's parishioners.

FAIRTRADE STALL: Thank you for your support for the last stall. £142 worth of goods were sold - £107 after morning Mass and £35 after evening Mass. The next stall will be on 19 May after both Masses – **third** Sunday of the month, not the usual second one.

SVP MASS OF THE ANOINTING OF THE SICK

St George's SVP would like to invite parishioners to **Mass with Anointing of the Sick**
Thursday 2 May at 11.00am

This will be followed by a get together for a **friendly chat at The Victoria on Heslington Road from 12 noon to 2.00pm, including a buffet lunch and refreshments with music provided by Norman Fowler (aka Steve Cassidy).** If you would like to attend this free parish event, could you please add your name to the list at the back of church on Sunday so that we can confirm numbers for catering purposes.

CONFIRMATION DATE is 11 June at St Wilfrid's Church at 7.00pm (an alternative venue will be announced shortly). **The first preparation date is 2 May at 7.00pm at St Aelred's Church.** Please give names of candidates and contact details to Canon Jerry.

WEEKLY FOOD COLLECTIONS AT MASS: Basket at the back of church for food/toiletry items for **CARECENT** and breakfast food items for our **PRIMARY SCHOOL.**

LAUDATO SI BOOKSHELF AT CHURCH –

COME AND BORROW A BOOK!

What a fantastic response we've had from parishioners, donating religious themed books for our shared bookshelf at Church. Why not have a look through next time you are at Church and borrow a book to help with your Easter Season reflections and contemplations?

The next 'Laudato Si' Goal that we shall be considering is **Ecological Education.** This is a rather grand name for learning how to love God, to look after mind, body and soul and our Common Home, to understand our priorities and how they shape our interaction with the world. In our families, parishes, schools and universities, our local community and our natural surroundings, '**ecological education**' enables us to translate our learning into habits and behaviour that puts care of God's creation above self-interest.

Many Thanks, Laudato Si
