COMMUNITY RESILIENCE AND EMPOWERMENT:

On Tuesday 11th June at 6pm in the Sacristy, the Laudato Si group will be hosting a meditation on “Community Resilience and Empowerment”. Please come and join in the meditation on this important topic.

THE NEXT LAUDATO SI GOAL that we are considering as a Parish comes at a very appropriate time to where we are as a Parish. With Canon Jerry's retirement, our Parish is entering a new stage: there is uncertainty over what lies ahead for us. The forthcoming General Election also challenges us all to take our democratic duty responsibly in the new stage the country is entering; to vote for the candidate who will speak out for the poor and vulnerable, both at home and overseas. The goal of 'Community Resilience and Empowerment' encourages us to build up our community to face challenges, both social and environmental with confidence, competence and hope. **How can we** organise our community, and reimagine community space, to encourage everyone to participate in the change we would like to see in the world?

How can we help people to help themselves, globally and locally? **Are we building** bridges with our wider community when issues affect us all?

How can we build a community that better reflects the Kingdom of God? As Pope Francis says...

'We need a community that supports and helps us, in which we can help one another to keep looking ahead' (Fratelli Tutti 8)
