A THOUGHT FROM THICKET – 16 June

“There is no need to go to heaven in order to speak to one's Eternal Father or find delight in Him. Nor is there any need to shout. However softly we speak, He is near enough to hear us.” (St Teresa of Avila)

THE NEXT LAUDATO SI GOAL that we are considering as a Parish comes at a very appropriate time to where we are as a Parish. With Canon Jerry's retirement, our Parish is entering a new stage: there is uncertainty over what lies ahead for us. The forthcoming General Election also challenges us all to take our democratic duty responsibly in the new stage the country is entering; to vote for the candidate who will speak out for the poor and vulnerable, both at home and overseas. The goal of '**Community Resilience and Empowerment**' encourages us to build up our community to face challenges, both social and environmental with confidence, competence and hope. **How can we** organise our community, and reimagine community space, to encourage everyone to participate in the change we would like to see in the world? **How can we** help people to help themselves, globally and locally? **Are we building** bridges with our wider community when issues affect us all? **How can we** build a community that better reflects the Kingdom of God? As Pope Francis says . . . '*We need a community that supports and helps us, in which we can help one another to keep looking ahead*' (Fratelli Tutti 8)

MASS FOR THE LGBTQ+ COMMUNITY, FAMILY AND FRIENDS on the second Sunday of the month, Chapel of the Bar Convent, 3.00pm. Doors open at 2.30pm. Followed by refreshments. *All welcome.*
