FUND RAISING CONCERT: A GUITAR

(When instruments are left behind in war)

At St George's Church on Wednesday 30th October, at 7pm. This promises to be a wonderful musical evening with Ukrainian guitar performer Andrii Polishchuk along with other musicians. When instruments are left behind in war, in the words of Andrii Polishchuk... "Leaving your home, your country, your family and friends behind because of war, and seeking protection in remote, foreign places with different languages and customs is a traumatic experience. So much is left behind, so much loss. For musicians, this departure includes leaving behind their instruments, part of their voices, part of their identity, affecting their profession."

This concert seeks to raise funds to purchase a guitar for York-based Ukrainian guitar performer Andrii Polishchuk. All the funds will go for that purpose. **Free contribution**, Join us for a special night and contribute to our goal.

WELCOME TO ALL: If you are visiting York, we hope you enjoy your time here. If new to the parish or would like to be involved in parish activities please make yourself known to Canon Jerry, Fr Jo Michael or to our Door Welcomers..
