“If you grow accustomed to having the Lord present at your side and he sees that you do so with love and that you go about striving to please him, you will not be able – as they say – to get away from him; he will never fail you; he will help you in all your trials; you will find him everywhere.” (*St Teresa of Avila, whose feast day is on 15 October*)

FUND RAISING CONCERT: A GUITAR

(When instruments are left behind in war)

St George's Church on Wednesday 30 October, 7.00pm.

Leaving your home, your country, your family and friends behind because of war, and seeking protection in remote, foreign places with different languages and customs is a traumatic experience. So much is left behind, so much loss. For musicians, this departure includes leaving behind their instruments, part of their voices, part of their identity, affecting their profession.

This concert seeks to raise funds to purchase a guitar for York-based Ukrainian guitar performer Andrii Polishchuk.

All the funds will go for that purpose.

The concert brings together excellent musicians based in York, performing works for solo guitar, recorders, and baroque ensemble together with improvisations by the extraordinary duo Weaver and Wood.

Free contribution

Join us for a special night and contribute to our goal!
