"I frequently kept in mind St Paul's words that all things can be done in God. I understood clearly that of myself I couldn't do anything." (St Teresa of Avila)

MY PARISH MY MISSION: We, St George's Parish, reflecting on stewardship as a response to God's generosity, encouraging us to offer our time, talents, and resources with gratitude and faith. The parish has been built and sustained through the dedication of its members, and it continues to thrive not through external funding but through the generosity of its community. Stewardship includes prayer, service, and actively using our gifts for the good of the parish. Over the next three weeks, we are called to consider how we can deepen our commitment to parish life and support its mission. This is a time to renew our involvement and strengthen the foundation of our faith community. **Fr Jo Michael**

JUBILEE MASS: Coach from St Aelred's for the Jubilee Mass for Bishop Terry and Bishop John Crowley at the cathedral at 12noon on 26 July. To book a seat on the coach please see Ann or Fr Jo Michael.

ANNUAL POSTGATE RALLY: Sunday 6 July at Egton Bridge.

CONFIRMATION: Dear parents - If your child is in Year 8 or above and has not yet received the Sacrament of Confirmation, we warmly invite you to enrol them for this important step in their faith journey. Please contact the parish office. We look forward to accompanying your child in this sacred journey.

FIRST HOLY COMMUNION 2025: Remember in your prayers the 16 children from our parish who will be making their First Holy Communion on 12 July 2025 as they enter into the last weeks of their preparation. Please pray for Ola, Nicole, Jack, Olivia, Xavier, Ena, Jan, Innes, Bethany, Angeli, Mea, Michael, Osgar, Olivia, Susana, Elliana together with Sienna (who will be celebrating her First Holy Communion in India).

CHALLENGES: We all know that times are hard and money can be very tight for some families and individuals. If you, or someone you know, is struggling financially then St George's SVP may be able to help. Please speak in confidence to Fr Jo Michael, our Parish Priest, for more details.

CARING FOR CREATION - RECYCLING AT CHURCH: Have you ever wondered what to do with all those empty, used blister packs of pills and those empty toothpaste tubes?

Well, now Boots has set up a recycling scheme at its shop on Coney Street where you can take these items along and deposit them in the relevant recycling bins in front of the checkouts facing the main entrance doors. Don't be put off by the complicated-looking instructions about Advantage Points - as far as we know, this is optional and, if you wish, you can simply drop your items in the relevant bin without having to scan anything or even refer to your mobile phone!

We're also extending the recycling scheme at the back of Church, that is set up and sponsored by our Laudato Si Group, to include Printer Cartridge Recycling from Sunday 29 June. This is just one way that we can all help 'Care for Creation'.

VOLUNTEERS TO TAKE DONATIONS TO CARECENT: Have you ever wondered what happens to the food we collect each Sunday at the back of church? Well, we have a rota of kind parishioners who volunteer to take the food to Carecent in York where it is used to feed those in need in York. If you could give up about one hour per month you could join the rota for this very important church mission. If you would like to help then please let one of the Welcomers know or Dave Harper at church.

WELCOME TO ALL: If you are visiting York, we hope you enjoy your time here. If you are new to the parish or would like to be involved in parish activities please make yourself known to Fr Jo Michael or to our Welcomers on the door.
