**MY PARISH MY MISSION:** We, St George's Parish, reflecting on stewardship as a response to God's generosity, encouraging us to offer our time, talents, and resources with gratitude and faith. The parish has been built and sustained through the dedication of its members, and it continues to thrive not through external funding but through the generosity of its community. Stewardship includes prayer, service, and actively using our gifts for the good of the parish. Over the next three weeks, we are called to consider how we can deepen our commitment to parish life and support its mission. This is a time to renew our involvement and strengthen the foundation of our faith community. *Fr Jo Michael*

It is with sadness we will be saying farewell to Our dear Sister Ann of the Corpus Christi Carmelites who is moving to Birmingham in August to join her congregation there. Please join us as we gather with cake and refreshments to celebrate her amazing 29 years here in St George's Parish and say farewell. There will be a little presentation and a few words from Sister Ann who would like to express her gratitude for her time with us here. Please pass the message on to other people in the wide community who would like the opportunity to wish Sister Ann all the best.

We have a very sincere and special request - Please no gifts or presents and no donations to Sister Ann or the Order - We understand that you may feel moved to mark the occasion with something but Sister Ann is simply grateful for your presence at the event - I'm sure she would welcome your prayers too! ***All welcome!!***

**WELCOME TO ALL:** *If you are visiting York, we hope you enjoy your time here. If you are new to the parish or would like to be involved in parish activities please make yourself known to Fr Jo Michael or to our Welcomers on the door.*
